

MyStarFi - Official Whitepaper \$YSFI

1. Introduction

The creator economy is undergoing a major transformation.

MyStarFi emerges as an innovative platform that connects fans, creators, artists, and influencers through blockchain technology, offering a new paradigm of appreciation, investment, and participation in digital talent.

2. Vision

To allow anyone to invest, support, and grow alongside their favorite stars, creating a decentralized economy based on trust, transparency, and community.

3. What is the \$YSFI token?

\$YSFI is the native token of MyStarFi, built on the Solana network, and is used to:

- Buy, sell, and trade creator profile tokens
 - Access exclusive features and rewards
 - Participate in voting, campaigns, and community actions
 - Power all transactions within the MyStarFi ecosystem
-

4. Tokenomics - \$YSFI

Maximum Supply: 1,000,000,000 (1 Billion) YSFI tokens

Initial Distribution:

- Pre-sale: 25%
- Team: 20%
- Marketing & Partnerships: 25%
- DEX/CEX Liquidity: 20%
- Community & Incentives Reserve: 10%

Vesting & Lockups:

Tokens allocated to the team and founders are subject to a 6-month vesting period to protect project stability.

Official Emission Wallet:

Phantom Wallet MyStarFi

5. Team

The founding team is composed of blockchain enthusiasts, digital marketing professionals, and community managers dedicated to sustainable growth and transparency.

6. Roadmap (Updated)

- Landing page created
 - Pre-sale completed
 - Social networks active
 - Listing on DEX/CEX platforms
 - Launch of the creator profile marketplace
 - Strategic marketing campaigns and partnerships
 - Mobile app development
 - Expansion of token utilities
-

7. Exclusive benefits for \$YSFI holders

- Early access to new features and drops
 - Priority participation in creator profile token pre-sales
 - Right to vote on community decisions (governance)
 - Access to exclusive campaigns, rewards, and giveaways
 - Early access: be the first to join features, projects, and opportunities in MyStarFi
-

8. Security & Transparency

- Audited smart contracts
- Strict vesting for founders and team

- Open and transparent communication on social networks
-

9. Community

We believe the strength of the community is the main driver of any blockchain project. All \$YSFI holders are invited to contribute, suggest, and actively participate.

10. Risks & Disclaimer

Investment in cryptocurrencies involves significant risks, including volatility and capital loss.

Do your own research (DYOR) before investing.

The MyStarFi team does not guarantee profits and does not take responsibility for individual investment decisions.

11. Join the MyStarFi Revolution!

Stay up to date, join the community, and be part of the next generation of creative economies.
